Dear 6th and 7th Grade Parents,

During the past three years, LCHS 7/8 math teachers have been reviewing math materials and resources for adoption. This year they have narrowed them down to 4 publishers and have spent time as a team to review them closely and work with the publishers. As part of this process, we would like to get your input for consideration as we make a final recommendation to the Governing Board.

We have allocated three days for you to review the materials and provide input. Those dates are January 18, January 25, and February 1 from 4:00 p.m. - 7:00 p.m. at LCHS in the IRC. On these days, you may check into the IRC, review the materials and fill out the input form if you wish. You may drop off the completed form at the front desk where you checked in. They will be collected and turned into the administration at the end of the day.

Please RSVP [here](#) if you would like to participate.

Thank you,

Jarrett Gold and Anais Wenn
